CLINTON HIGH SCHOOL

Thank You

The Class of 2017 would like to take this opportunity to show our thanks and appreciation to the entire staff and administration for four wonderful years at Clinton High School.

Thank you to our class advisors, Mrs. Mason and Mr. Rhode, for your support. Your enthusiasm and dedication to our successes made our high school experiences truly memorable.

Thank you to Mr. Hastings and Mrs. Kach who made CHS our home. We would also like to thank Mrs. Solar, Mrs. Pupecki and Mrs. Moran, in the Guidance Department, who helped us with our many college questions, scholarships and plans for the future. To Mrs. Sweatland and Mrs. Schmidt, who shared in our achievements and arranged a beautiful graduation ceremony, thank you from the bottom of our hearts.

Thanks for the Memories

The Class of 2017 would like to extend additional thanks to the following people who will be leaving us for retirement or new positions: Mr. Terrance Ingano for always putting the students of Clinton at the forefront of everything else; Mrs. Jeanette Rice for forever nurturing and caring for us; Mr. Mark Allard for coaching us through science and life; Mrs. Ingrid Adade for teaching us how to be responsible with our money; Mr. Tony Gannon for making us more physically fit, and most importantly, for making us laugh, and Mr. Adam Ingano for making us historically aware and responsible citizens. We are forever grateful for all that you have done and wish you the best in your future endeavors.

FRESHMAN YEAR

We started at the "top," but now we're here... No longer the oldest in the school, we began our freshman year with nervous anticipation. We were excited to be in the high school, but apprehensive about what was to come. Senior year seemed SO far away. We held our first class elections choosing Kyle Brandao as our President, Aranta Francois as our Vice President, Eian Gannon as our Secretary and Meaghan Onnembo as our Treasurer. We participated in our first spirit week, with less than stellar results, but we vowed to do better the next year. Little did we know that the next four years would be over in the blink of an eye.

SOPHOMORE YEAR

No longer the children of the school, we embraced our new role as sophomores. We elected Larry Pinckney as our President, Dan Thompson as our Vice President, Eian Gannon as our Secretary, and Meaghan Onnembo as our Treasurer. We didn't win spirit week again, but we looked forward to our junior year with excitement.

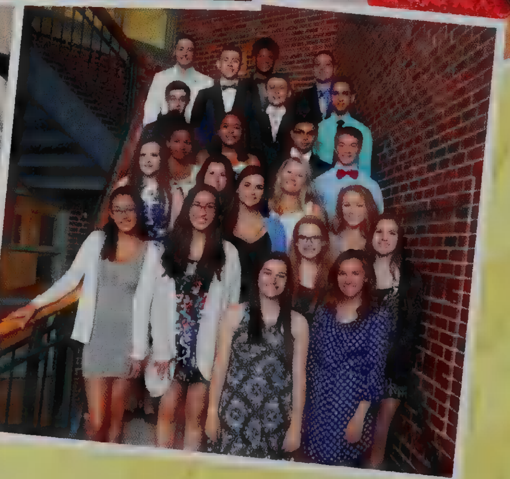
JUNIOR YEAR

In late August of 2015, we were finally Juniors and looking forward to all of the exciting events to come. We elected Hunter Burk as President, Dan Thompson as Vice President, Eian Gannon as Secretary and Meaghan Onnembo as Treasurer. We hosted our red and gold themed Homecoming dance on October 10, 2015. We celebrated Prom on May 14, 2016 at Wachusett Mountain, and we enjoyed our after-prom party. The end of the year came quickly. As we watched the seniors pull out of the parking lot, we were finally at the top and looking forward to our final year.



SENIOR YEAR

In August of 2016, we began the final chapter of our CHS story. We were on top of the school and looking forward to graduation. In our final year, we did not win Spirit Week, but we managed to achieve second place, and we defeated the Juniors in the food drive, a far cry from our Freshman effort. We elected Hunter Burk as our President, Aranta Francois as Vice President, Billy Knoll as Secretary and Eian Gannon to Treasurer. Everyone always told us that time would fly by, and we finally realized that they were right. We celebrated our Senior Hop in the Town Hall, spent a fantastic day at Six Flags for our Senior Trip, shared our Senior Banquet at Apple Hill Farm in Leominster, shed tears as we watched our senior video at Baccalaureate and finally received our coveted diplomas in Central Park on June 3, 2017. In the blink of an eye, four years had gone by, and we were ready to say our goodbyes to the halls, teachers, staff, administration, and underclassmen of Clinton High.

Homecoming

In our gym, decorated in the theme of gold and red, we hosted our first of three memorable dances. On the evening of October 10, 2015, as a preview to our prom, we danced the night away to the sounds of our DJ. Karina Hernandez was chosen as our Homecoming Queen and Junior Rojas as our King. Completing our court were Aranta Francois, Dan Thompson, Meaghan Onnembo, Pierre Segu, Hunter Burk and Annie Zahariadis. This was the first of many evenings in which we would make memories to last a lifetime.

Prom

On May 14, 2016, we danced the night away under the stars at Mount Wachusett. It was a magical evening as we embraced our theme of The Roaring 20's. Our DJ provided fantastic music and the waffle and nacho bars were an added bonus to the night. Our King was Eric Patel and Mary Grace Sese was crowned our Queen. Rounding out the court were Lexi Whitney, Eian Gannon, Ellie Moscillo, Jose Nieves, Nay Cortes and Billy Knoll. Everyone looked amazing and we all made memories to last a lifetime.

Senior Hop

The Clinton Town Hall was the venue for our last dance as members of the CHS Class of 2017. On March 25, 2017, we danced the night away amidst the historical backdrop, renewing a long-ago tradition of celebrating this momentous occasion in this location. It was a fantastic evening of food, friends and dancing that we will never forget.

Step Up to Excellence

Step Up to Excellence consists of a group of students chosen through a competitive selection process in the fall of their sophomore year. Each student is paired with a mentor from the Clinton High School staff. As members of Step Up to Excellence students participate in many community service projects, bond through group events, have two summer trips and complete over 90 hours of community service. This year's Step Up graduates are Dayna Bradley, Hunter Burk, Aiztinay Cortes, Jennifer Doyle and Pierre Segu.

FIRST Robotics

The 2017 FIRST Robotics competition was named FIRST Steamworks. The event had two alliances competing to finish building their airships and produce power, in the form of steam, to power their ships for a long distance race. Robot alliances had to gather fuel and shoot it into one of two boiler goals. The boiler then produced fuel to power the airship. The final task was to climb onto the airship and race to the finish line.

Gael Force completed three events this season. The first event took place in Worcester at WPI, where we finished in 34th place with a record of 4-8. Although the team did not finish with a strong record, many things were learned and improvements were made for the second event. The second event took place in Smithfield, RI at Bryant University. At Bryant, Gael Force improved to a 7-5 record and finished in 15th place. The team was the first selection of Alliance 5 and together they were eliminated by Alliance 4 in the quarter finals.

2017 was the first year that FIRST had world championships in two locations. Gael Force competed once again in St. Louis, MO, while the other competition took place in Houston, TX a week earlier. In St. Louis, Gael Force competed on the Carson Field and finished with a respectable record of 4-6, finishing in 35th place out of 68 teams.

As always, it was a fun year for Team 126 and everyone is looking forward to 2018, where our goal is to win the World Championship in Detroit, MI.

National Honor Society

On May 16, 2017, the National Honor Society Ceremony was held in the Clinton High School auditorium. Inducted were five Junior and twenty-seven Sophomore members. Speakers for the evening included Superintendent Terrance Ingano, Principal James Hastings, President of the Rotary Club, Mr. Dan Notaro, and NHS senior Allison LeBlanc. The four principles of the National Honor Society, Character, Scholarship, Leadership, and Service were symbolized by the lighting of the candles. To elaborate on these four tenets were Shail Patel, Joao Vieira, Hunter Burk, and Jocelyn Gramit. Pins were presented by William Knoll and Jennifer Doyle and flowers by Maeve Despotopulos and Syasia Williams. After the ceremony The Rotary Club sponsored a Senior Dinner at the Russian Icon Museum with Terrance Ingano as the guest speaker.

Put on your big green sweater
with the big gold letter
as we cheer those Clinton Gaels along.

Through the worst of weather we will
stick together as we sing this merry
song.

All hail the green and gold,
let Clinton's fame unfold

We'll raise the banner to the sky
for the honor of Clinton High!

As we go marching down the field,
we'll hold that line and never yield.

And then we'll fight to heights untold
for dear ole' Clinton's
Green and Gold!

The Gaels fell to David Prouty 58-52 in the opening round of the Clark Tournament. Suffering a tough and controversial 1 point loss to David Prouty in the 2nd round of District play, the Gaels' successful season ended.

BACCALAUREATE

On May 31, 2017 the Senior Class assembled in the CHS auditorium for their Baccalaureate Ceremony. The guest speaker was Mr. Joseph Lapin, Clinton High School alum, who shared the 17 things he wished he could tell his 17 year-old self. Seniors and guests took a walk down memory lane as they watched the Class of 2017 video produced by Mr. Paul Morrison and his video production class. The ceremony was concluded by singing Miley Cyrus/Hannah Montana's, "Wherever I Go." The ceremony was followed by refreshments and photo opportunities in the cafeteria.

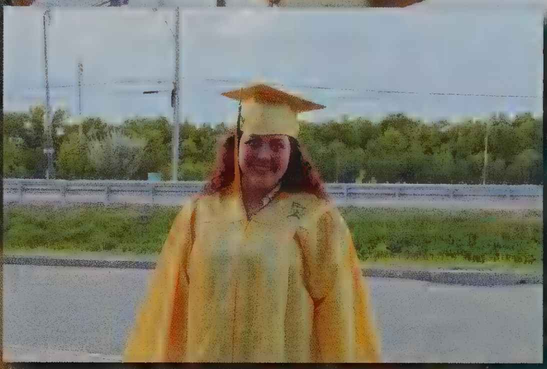
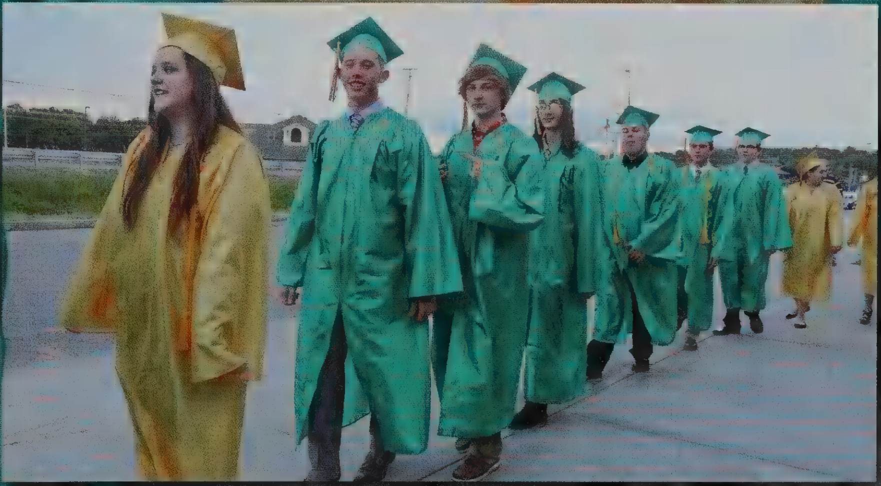
CRITICAL THINKING





Graduation

On Saturday, June 3, 2017 we met for our graduation ceremony in Central Park. Our class President Hunter Burk presented our class gift, a can of food, to Marie Curiel, Class of 2018 to kick off their spirit week food drive. Mr. Terrance Ingano presented his final, touching commencement remarks as Superintendent of Schools. Student speakers included Class Valedictorian, Troy Howlett, Salutatorian, Joao Vieira, and High Honors Students, Nicholas Morse and Michael Gibbons. The generosity of the town was again evident in the abundance of scholarships awarded. After the presentation of scholarships, by Principal James Hastings, Robert Ebstein, Chairman of the School Committee, presented diplomas to graduating seniors. To conclude the ceremony we joined together as a class to sing the school song, "Green and Gold".

Gael Spirit

- Toni Perla and Friends, CHS Class of 1989

What is Spirit? Spirit is literally defined as: life, soul and thought. It is a supernatural being, a brave individual, a ghost. It is vivacity and courage. It is enthusiastic loyalty.

What is Gael Spirit? Gael spirit takes on a meaning all its own. It's having the courage to continue on when all others have given up. It is never giving less than 100%. It is never having to prove yourself to others.

Gael Spirit is having the faith and determination to take risks, to dare to be different. It is never seeing anything as too big or too tough. It is seeing yourself as stronger and more able. It is always seeing the glass as half full instead of half empty.

Gael Spirit is perseverance. It is rising to the top in the face of defeat. It is never having to hang your head low when you have failed. No one ever fails unless they fail to try. Gael spirit is never having to say, "I quit."

Gael Spirit is togetherness, teamwork. It is together as a team, a club, a class and a school. It is working with each other instead of against each other. It is understanding. It is having the courage to admit when we are wrong. It is the courage to change what we can and accept what we cannot.

The true meaning of Gael Spirit lies within each of us. It is found in every person who ever put on a uniform, everyone who cheers them on and everyone who is silently pulling for them.

Look around you and then look inside yourself --- you will feel it because you possess it. **It is the Spirit of the Gaels.**

To the Class of 2017

As you set out on the road to your future, continue to always grow with your gifts. Be open to learn from others. Be generous and share the richness of yourself. Here at Clinton High School, we're a better place because you have passed through.

In my daughter's eyes
I can see the future,
A reflection of who I am and what will be,
And though she'll grow and someday leave,
Maybe raise a family,
When I'm gone I hope you'll see,
How happy she made me,
For I'll be there,
In my daughter's eyes.

Dear Nay,

We still remember the first day of your school. On that day, we were nervous to send you away from us. It still feels like that same day is back again. We feel nervous yet again, as you face the world by yourself. But, one thing is common yesterday and even today. Deep inside we always knew that you would emerge as a winner. Always remember that we love you.
